Subject: ASME Certificates of Authorization 'U' #36,160 & 'UM' #36,161 Exp. 11/2/2015

Dear Mr. Bowermeister:

This letter is to serve as an extension of expiration date for the subject Certificates for which the current expiration date is November 2, 2015.

This extension is contingent upon the review dates currently scheduled for December 14-15, 2015.

This extension will allow sufficient time for ASME to complete its evaluation for the renewal of the subject Certificates of Authorization. This extension will expire upon the renewal of your accreditation or on **February 2, 2016**, whichever comes first.

Sincerely,

Janet Hill
